VOLUME 7. MARYVILLE, MISSOURI, THURSDAY, JULY 20, 1916 NO. 40.

TILSON'S ACCOUNT OF MUCH INTEREST

IMPORTANT ADDITION TO VILLISCA MURDER EVIDENCE.

MAN BY THAT NAME IN MARYVILLE ONCE

Sought Package of Money From Iowa Town Soon After the Ax Murders.

Bulletin by Long Distance.

The state has asked the grand jury to return two indictments, one against the man charged with the ax murders of the Moore family, and the other one against a man charged with being an accessory.

County Treasurer W. R. Tilson returned last night from Red Oak, Ia., where he was a witness before the grand jury inquiry of the ax murders at Villisca, Ia., in June, 1912. William Mansfield was arrested recently and charged with the crime.

Mr. Tilson declared that a few days before Mansfield's name was mentioned in connection with the case, a man appeared here and asked for money which he claimed was to be sent to him from parties in Villisca.

The man's visit to Maryville occurred several days before Tilson left for the Chicago Republican convention, on June 6, and was previous to any publication in which Mansfield's name was connected with the case.

"The man appeared in my office in the court house shortly before noon," said Tilson. "'Is there any money here for me?' he asked.

"'What is your name?' I inquired.

"'Bill Mansfield,' he said.

"There was no money for him on my books.

"From whom do you expect the money?' I asked, thinking he was looking for witness fees.

"'From parties in Villisca, but it is not necessary to mention their names,' answered the man.

"The man's actions were so peculiar they aroused my suspicions. I questioned him about the Moore murders in Villisca. He readily admitted knowing the Moore family and called by their first names those who had been murdered. He told about the man hunt that followed the discovery of the bodies. Some of the things he told me, I am now informed by the officers, were never known by anyone until I repeated them here.

Left With a Woman.

"He knew the case from A to Z. He kept edging toward me in a suspicious manner and after he admitted he had been suspected of the murders himself because he had been in trouble, I picked up a window weight and jokingly told him not to come any closer.

"'Oh, I won't hurt you,' he said. 'I never hurt anyone who didn't do me dirt. When they do me dirt, though, I get them.'

"A woman came in and he went out."

Tilson was shown Mansfield in the county jail. He said that he would not swear whether Mansfield was his visitor in Maryville. Much of the description of the man that was here tallied with the man now in jail in Red Oak. However, Mr. Tilson was not sure enough to swear that he was the man.

The authorities at Red Oak believe that Mansfield is the man from the evidence they have secured. A man by the name of Mansfield was in Maryville soon after the Moore murder at Villisca, as was shown by a pay check under date of July 12, 1912, given by the railroad company in whose work gang he was in.

ALLIGATOR PETS ARRIVE

James Sage of St. Cloud, Fla., Sends Animals to Misses Neva Sage and Dorothy McDonald.

Speaking of pets, Misses Dorothy McDonald and Miss Neva Sage have something new in that line. Miss Sage's brother, James Sage, who is living in St. Cloud, Fla., sent each girl an alligator, which came by express this morning.

The animals arrived safe and appear to be in the best of health after their trip. They are about ten or twelve inches long and measure about two inches across the back. They haven't given any indication of no t liking Maryville yet, so they will doubtless live to give their owners many hours of pleasure.

AND THE 700 PLAYED

MOST SUCCESSFUL OF NORMAL PLAY FESTIVALS HELD.

COUNTIES SHOW RIVALRY

Carroll, Harrison and Gentry Lead in Showing the Spirit—Many Out to Concert.

"Play festival" is right. The annual Normal relaxation day is well named, if yesterday is any criterion. The great majority of the more than 700 students mingled with the faculty in games, fun and more games.

The games really were the feature of the day. They were given in Normal park and many a student will take home a new game to be played at parties and other gatherings. The chief interest was shown in the volley ball games in which Buchanan county defeated all comers, thanks to Palfreyman and Cornelius.

The first contest was between Buchanan and Gentry counties. Karma Osburn and Cornelia Knapp had charge of the St. Josephites and Una Etter and Essie Ward were the leaders for Gentry. The folk games were under the direction of Miss Mary Boggs. Fred Lewis directed the 50-yard dash between Harrison and Daviess counties.

Bertha Cross and Edith Holt started a game of three deep for Nodaway Countyans. Miss Arlie Cleveland directed a game of "last couple out" among the teachers from DeKalb county. Thelma Roberts and Mrs. C. Osman of Worth county kept their associates in laughter with Japanese tag.

Miss La Donna Murphy started the fellow Andrew county folks into a game of "knots in May." Livingston county enjoyed a game of square ball under the leadership of Paul Powell.

Carroll County Live Bunch.

Carroll county, before they went on a tear, played square ball with May Patton and Florence Phillips leading. After a while, however, they started the really distinctive fun of the day with Williams as captain and Mercer as lieutenant. They began to sing the Carroll county songs and yell the Carroll county yells which they had gotten in such great shape on their outing last Sunday.

Walter Hanson, director of athletics, started Holt and Mercer counties into the competition of a game of indoor baseball with the girls and men playing together on each team. And some of the women showed the men up when it came to batting and throwing that ball.

"Old Dan Tucker" was the diversion of Atchison county, with Winifred Carpenter and Grace Gibson leading. Caldwell and Clinton counties staged a Norwegian mountain march under the guidance of Erma Mathews and Mary Goforth. Grundy vs. Ray counties in a potato race furnished some fun with Addie Craig and Jewell Buckland as captains.

Platte and Clay counties also played Japanese tag with George H. Beasley directing. Volley ball and indoor baseball engaged the attention of the outside counties, the E. T. C. and others.

Gentry Proud of Bluegrass.

Gentry county led off in the county rivalry by waiting until the baseball game was almost ready to begin before marching into the stands in a

EXAMS AUG. 4 AND 5

TEACHERS' TESTS AT MARYVILLE BUSINESS COLLEGE.

COUNTY MEETS SEPT. 1-2

Bert Cooper Writes Again From Chicago Where He is Attending Summer Session.

The August teachers' examinations will be held August 4 and 5 at the Maryville Business college, according to County Superintendent Bert Cooper who writes from Chicago where he is attending the summer session of the University of Chicago. The examinations are for both Nodaway county teachers and those from other counties

Mr. Cooper also writes that the regular teachers' meeting required by law will take place September 1 and 2, and the country schools will begin September 4. He adds that a splendid program has been arranged but that it is not ready for publication yet, as not all of the speakers have consented.

Prof. W. M. Oakerson, chief clerk in the department of education at Jefferson City and former county superintendent, will be here for the two days. He and Mrs. Oakerson are attending the summer school of the teachers' college of Columbia University in New York City.

Mr. Cooper in his letter to The Democrat-Forum says: "This is a hot one in Chicago and I hope that the mercury is behaving better in Missouri than it is here. School closes here the last of July and I expect to get to Maryville by August 1.

"I shall be delighted to return to a good town. Chicago is a little larger than Maryville and has more saloons and more bathing girls on the beach, but she hasn't the good, hospitable and friendly citizenship that Maryville and Nodaway county have."

Mrs. Cooper is spending the summer in the west with her mother, Mrs. C. E. Rutledge of Cameron. Much of the time has been taken up with a visit to Mrs. Rutledge's brother, H. DeWolf of Los Angeles. They will visit Salt Lake City, Colorado Springs, Denver and Iola, Kan., on their way home. They expect to arrive in Missouri about August 3.

MRS. J. H. SAYLER DIES

WAS PROMINENT IN W. C. T. U. AND W. R. C. IN MARYVILLE.

Funeral Saturday Morning at Christian Church With Burial at Hopkins.

Mrs. Harriet L. Sayler, wife of J. H. Sayler, died at her home on North avenue at 4:30 o'clock this morning. Mrs. Sayler had been ill for two or three months of heart trouble and her condition was considered serious. She had a slight stroke of paralysis about five years ago but recovered.

The funeral services will be held at 10 o'clock Saturday morning from the Christian church, of which Mrs. Sayler was a lifelong member. The Rev. C. Emerson Miller will conduct the services. The body will be taken to Hopkins, the old home of Mrs. Sayler, for burial.

Mrs. Sayler was 49 years old. She was born in Kirksville, Ia., and came with her parents to live at Hopkins when just a small child. She married Mr. Sayler July 14, 1895, and five children were born to them. The four living children are: Mrs. Vera Sayler Pickett of Creston, Ia., Jerry S. Sayler of Des Moines, and Misses Phyllis and Doris Sayler, who live at home.

Mrs. Sayler had one brother and four sisters, Charles Strawn of Maryville, Miss Elizabeth Strawn of Fort Defiance, Ariz., Mrs. Susan McIntire of Bellingham, Wash., and Mrs. Mary Pittman and Mrs. Ellen Pittman of Manhattan, Kan.

Mrs. Sayler has always been an active church worker and was especially interested in the activities of the W. C. T. U. and of the W. R. C. She was a charter member of the latter organization.

Attention, W. R. C.

The members of the W. R. C. are requested to meet at the Christian church at 9:45 o'clock Saturday to attend the funeral of Mrs. Harriet L. Sayler.

F. WOLFERS COMING

FORMER HOPKINS MAN TO ENTER BUSINESS HERE.

GILLAM-JACKSONCOUNSEL

Growth of Business Makes Legal Aid Necessary—New Man Member of Well Known K. C. Law Firm.

Fred R. Wolfers, who has been associated with the law firm of Rosenberger & Reed of Kansas City, will be connected with the Gillam-Jackson Loan and Trust Company as attorney. He has acquired an interest in the loan and trust company and will give all of his time to the business beginning next Monday.

Mr. Wolfers is a son of Charles A. Wolfers of Pickering and has had exceptional advantages in the study and practice of law. He is a graduate of Missouri university and also a graduate of the law school of Columbia university, New York City. He was admitted to practice in all the courts of Missouri in 1914, and since that time has been associated with the law firm of Rosenberger & Reed of Kansas City, which is well known as one of the best law firms of that city.

The Wolfers family is well known over Nodaway county and one of the most successful and influential of its prominent families. They have banks at Hopkins, Burlington Junction and Pickering. Mr. Wolfers is 29 years old and unmarried.

The business of the Gillam-Jackson Loan and Trust Company has grown to such large proportions and is so rapidly increasing and enlarging that it was found necessary to bring into the business some capable person to give his entire time to the legal matters relating to the business, the examining of titles, etc. In securing Mr. Wolfers, the trust company feels exceedingly fortunate, as in securing the services of such a person they are enabled to carry out the policy they have always adhered to, of having men of large business ability, well known to the people of this portion of the state, as entirely reliable and responsible in all respects, deeming this to be a matter of very considerable importance in a financial business such as they have.

"FOR A DRY MISSOURI"

MARYVILLE W. C. T. U. ASKS STATE OFFICIALS TO CO-OPERATE.

Orgmization Did Not Want Amendment Submitted—Convention Here Next Wednesday.

The members of the W. C. T. U., at their regular session at the Main sfreet Methodist church yesterday afternoon, unanimously agreed to request their state officers to assist in the campaign for the addition of a prohibition amendment to the State Constitution next fall.

For this purpose they appointed a committee to draft a resolution which is to be sent to the state officers conveying to them the wishes of the Maryville W. C. T. U. The members of this committee are:

Mrs. R. L. McDougal, Mrs. Eugene Ogden, Mrs. L. W. Greathouse and Mrs. C. B. Roberts. The committee arranged to meet at the home of Mrs. Roberts on East Third street Friday evening to prepare the resolution, which will be forwarded to the state officers.

The W. C. T. U. also made arrangements for the accommodation of the delegates to the W. C. T. U. convention which is to be held in Maryville July 26, and also of the contestants for the gold medal who are to arrive here for the contest Wednesday evening. This contest will be held in the Main street Methodist church. The contestants will be accompanied by Mrs. Anna Pugh Martin, district superintendent.

The reason for the local resolution to the state organization is that the W. C. T. U. acting with the Anti-Saloon league thought it wiser to seek statewide prohibition by way of the legislature than by amendment. The initiative was placed on the ballot by the members of the Prohibition party.

California Guests Here.

Mr. and Mrs. George Peck of Long Beach, Cal., are in Maryville visiting at the home of Mrs. Peck's brother, Mr. and Mrs. W. T. Doyle; also at the home of Mr. and Mrs. Guy Aley, north of Maryville. They also visited with their brother in Illinois before coming here.

FOR HARMONY H. S.

ANOTHER MEETING LAST NIGHT AT COMMUNITY CHURCH.

AND 10 SIGN ASSURANCES

Thirteen Children Among Those Pledging Support Last Night—Two-Year Course Planned.

Another meeting of the Harmony residents who are interested in the establishment of the high school in that community was held at the church last night. Thirteen parents signed assurances of support for one or more children and there is no doubt now of the school's being opened this fall.

Those signing the paper with their pledge of support and the number of children which they will send to the school are: A. Lawson, 2; James Lewis, 2; Elmer Porter, 2; J. W. Kessler, 2; Charles Patterson, 1; Ben S. Cox, 2; C. R. Green, 1; Will E. Hantze, 1; J. F. Strough, 1; and R. C. Hilsabeck, 1.

This is merely the names of those present and is not considered complete in any sense. Another meeting will be held soon and a teacher will probably be selected at that meeting. Ravenwood will lose the star pupils of Jackson township by the new school's establishment. Charlotte Green, daughter of the Rev. and Mrs. C. R. Green, won the highest grades, and Wilbur Cox was second in the rural eighth grade papers.

The organization was perfected with Ben S. Cox, A. Lawson and Will Hantze as directors. Three applications for the position of teacher were received but no election was made. Arrangements were made for fitting out the basement on the church in which the school will be held.

J. D. Elliff of Columbia, state inspector of high schools, has promised the Rev. C. R. Green, pastor of the great community church, that he will come to Harmony early in September to superintend the opening of the school. The purpose of the organizers is to make a school conformable to the state standards.

The regular courses for two years will be offered therefore but special attention is going to be paid for the fellows and the girls, too, who never expect to be able to go further to school will be permitted to take special courses of a more practical nature at a lower rate.

Elmer Porter was elected treasurer. The amount of tuition has not been set. It is expected that at least thirty will enter for the first year. A very bitter contest was fought recently to establish a consolidated school. The proposition lost by nineteen votes and the new plan of getting a school by individual work was begun.

THE NEW FARM CREDITS BILL.

The farm loan bill signed yesterday by President Wilson, says the Chicago Journal, is a measure destined to be of immense benefit to the farming interests of America. Just as the federal reserve act, passed in the early part of the Wilson administration, abolished panics and broke Wall street's grip on the finances of the nation, so the new law will enable farmers to secure capital on terms as favorable as those enjoyed by men whose capital is invested in other enterprises.

The bill creates a group of twelve farm loan banks, presided over by a federal board of five members, and provides for loan associations. The farmer borrows from the bank, through the association, on mortgages running from five to thirty-six years. These mortgages are used by the land banks as the basis for farm bonds, which are so drawn as to take rank with railroad or any other bonds as a means of safe, quickly realizable investment. In other words, this new law makes liquid the enormous amount of capital now locked up in the farm lands of America.

It has been the experience of Germany and France that this system encourages ownership of land by those working it, and discourages tenant farming. No doubt it will have a similar effect here. It has been found in Europe that the plan leads to better farming, by making it easy for the farmer to get capital for stock, machinery and improvements. The American law is somewhat more rigid in its terms and may have little direct action on this line, but the fact that it encourages owner farming rather than renting is enough to insure better agricultural practice.

The Wilson administration has rendered as great a service to the farming community as to the commercial community—and that is saying a great deal.

A MARYVILLE INTERVIEW.

Mrs. Snyder Tells Her Experience.

The following brief account of an interview with a Maryville woman over three years ago, and its sequel, will be read with keen interest by every citizen.

Mrs. R. Snyder, 1008 East Third street, Maryville, says: "My kidneys bothered me for some time. I had pain across my kidneys. I felt tired all the time and couldn't rest well at night. Doan's Kidney Pills gave me great relief, the pain from my kidneys leaving. The feeling of languor disappeared and my health improved." (Statement given October 2, 1912.)

On June 12, 1916, Mrs. Snyder said: "It hasn't been necessary for me to use a kidney medicine for about two years now, so I know Doan's Kidney Pills have given me permanent benefit. I gladly endorse this medicine again, for my opinion of it has never lessened."

body each with a whisp of bluegrass and a "Gentry" banner on them. Former County Superintendent Jennings led off with a banner which read "Gentry—County of Bluegrass and Teachers."

Before we leave that baseball game be it said that the score of 7-2 given yesterday was that of the official scorekeeper. The truth is that no faculty man ever dented the home plate. H. P. Swinehart of the faculty placed himself on the bases autocratically and after having raced his way round approached the official keeper of the score and choked him until he was forced to put down a tally.

The game was made as much of a farce as possible. Batteries were reversed, the umpire, President Richardson, made a strenuous effort never to call a decision as it should be. Boase, office secretary at shortstop for the faculty, had a Jew make-up. Beasley wore an old slouch hat which the umps ordered off his head before he was allowed to bat. Once "Prexy" walked to the plate and measured the distance with a ruler before calling a strike.

Belting and Kinnaird Threshing.

Belting and Kinnaird of the agricultural department were busy threshing and could not play. Substitutes took their places in the faculty line-up. A fly foul was caught in the sidelines by a spectator and the umpire immediately called the batter out.

Prof. and Mrs. H. B. Schuler in leading the grand march from the athletic field to the Normal park "snaked" the line among the trees in a very pretty sight. Various counties and clubs wore various bright colors. A group of lively girls with yellow sashes and ribbons and "Snodgrass" on ribbons across their brows announced that they were members of the Eta Bita Pickle gang.

This same bunch of about a dozen loaded once into a small Ford roadster driven by Clarence Cook and had one of those "cruelty to auto" rides. Scarcely anything except girls could be seen.

Carroll started the plan, which became very popular, of marching like an army around the other groups to give songs and yells. This county's most effective stunt was spelling "Carroll" up and down the scale. They also had the cleverest bunch of songs to familiar tunes.

Sang Normal Songs Together.

Gentry county originated the scheme of marching hand in hand and surrounding another group to give their yell which was the best of the day with an ending about "chute the chute and whoopety whoop." Finally at 5 o'clock all gathered near the north end of the park where normal songs were led by Prof. Schuler and opportunity was given for each county to outdo their neighbors in enthusiasm.

Then they broke into the county groups for supper after a short speech by President Richardson and a collection of yells for "Prexy" and other popular ones. After the supper, watermelons by the score (six score, in fact) were served by the Maryville Commercial Club.

The band concert as the closing pleasure of the day was given on the lawn in front of the Normal building. The county enthusiasm and rivalry reached its greatest height here in songs and yells of more or less cleverness. Carroll, Gentry and Harrison took the lead. Several of the groups came downtown after the concert and gave some yells on Main street.

To the Democratic voters of the first senatorial district of Missouri: Since announcing my candidacy for senator on the Democratic ticket from this district, I have been called with the national guard of this state into the country's service by President Wilson.

I am rendering this service willingly because it is the duty that every good citizen should be glad and willing to perform. I cannot say how long I will be away. I feel, however, that we will return to our home station before election, and certainly before the next legislature meets.

I must trust my candidacy to my friends and the Democratic voters of the district, and I pledge to them that if they nominate and elect me to this important position, that I shall be glad to render the same prompt service to their interests in the state that I am now rendering to our country.

W. R. LITTELL,
Capt. 4th Mo. Infantry, Candidate for State Senator.

STATE FAIR LIST READY

PREMIUM BOOK CAN BE SECURED FROM COUNTY CLERK.

Continued Progress in Awarding of Incentives to Better Farms and Homes in Missouri.

The premium lists for the Sixteenth Annual Missouri State Fair in Sedalia, September 23 to 30, are now ready and those who desire can get them from our county clerk, who has a supply, or by writing to E. T. Major, Sedalia, Mo.

This year's list contains sixteen departments, all of which are of interest to everyone. There are classes for live stock, agricultural products, dairy products, in fact, there is a division for every kind of farm production.

Missouri has always been proud of the interest that the Missouri women have taken in home economics and textiles. In addition to the regular prizes in the Home Economics department, a ten dollar prize is offered to the woman taking the greatest number of first prizes. The manufacturers of various brands of flour have also offered good prizes for breads, biscuits and cakes, baked with their particular brand.

The boys and girls of the state have not been forgotten. Prizes are offered for work that they do in and out of school. This year's fair will be for the whole family, from the head of the family, who will be interested in cattle and machinery, to the youngest "kiddie," who will have the time of his life in the well-equipped playground which is in charge of competent nurses.

NATIONAL DRY PROGRAM

MANY PROGRESSIVE MEASURES BESIDES PROHIBITION.

White Slavery, Eugenics, No Polygamy, Universal Suffrage and Federal Divorce Demanded.

Special to The Democrat-Forum.

St. Paul, Minn., July 20.—When the delegates to the national Prohibition convention gathered in the auditorium here today for the second day's session, the business before them was the election of the national committee and the consideration of the report of the committee on platform resolutions.

It is understood the platform will take a stand against further appropriations for the army and navy, while demanding that the sums annually expended be used more efficiently. An international police force will be recommended. Americanism will be recognized as synonymous with patriotism and citizenship and, therefore, as always having been a tent of the Prohibitionists.

The platform will also demand the suppression of white slavery, a national eugenic law and the obliteration of polygamy, universal suffrage, the initiative, referendum and recall, a non-partisan tariff commission, federal marriage and divorce laws and comprehensive labor legislation. There will probably be many other minor planks.

Not knowing what a morning headache feels like, the Prohibitionists are early risers. The Women's National Prohibition Federation conference began and ended before the session of the convention started this morning, as it also did yesterday morning.

The women gathered in the Y. W. C. A. auditorium, opposite the Convention hall, at 8 a. m. The meeting was adjourned in time for those present who are also convention delegates to take their places for the opening of the main show.

Mrs. Florence Slown of Chicago urged the Prohibition party to include a large proportion of women among its candidates this year in her speech before the national convention of the party here today.

She emphasized the fact that women would not vote the same as men, that they keep their own feminist objects in view after getting the ballot, and she dwelt upon the importance of the 4,000,000 women voters who may go to the polls next November.

Obituary of Oscar Lemaster.

Mr. Oscar Lemaster, beloved and eldest son of Mr. and Mrs. William Lemaster, died at his parents' home at 3:30 a. m., July 13, 1916, of heat prostration. He suffered for only about four hours before passing away.

Mr. Lemaster was 46 years old; he was born in Nodaway county, seven miles southwest of Barnard, where he resided all his life.

He leaves to mourn his death his mother, two brothers, Horace and Evington, one sister, Mrs. Laura F. Young of Savannah, Mo. Mr. Lemaster was converted and united with the Christian church in 1890. Since that time he has lived a true and devoted Christian till the Lord called him home.

Funeral services were held at the Centenary M. E. church, July 15, at 3 o'clock by Rev. Bennett of Fillmore. The remains were tenderly laid to rest in the Centenary cemetery.

ELECTING A PRESIDENT

WILSON.

Party Split Helped Wilson In 1912.

THE Democrats with Woodrow Wilson came back to power in the election of 1912. The Republican convention in Chicago nominated Taft, who was now opposed bitterly by Roosevelt. There were many contested delegates, and those in authority seated a majority of delegates with Taft proclivities.

Roosevelt had many warm supporters and was an avowed candidate. When Taft was nominated Roosevelt formed the Progressive party and ran on the third ticket.

The vote in 1912 was: Wilson, 6,293,019; Roosevelt, 4,119,507; Taft, 3,484,956. Wilson received 435 votes in the electoral college, Roosevelt 88 and Taft 8. Thomas R. Marshall of Indiana was elected vice president.

WANTS MISSOURI PICTURES

State Board of Agriculture Sends Out Request for Unique and Attractive Scenes.

Columbia, Mo.—"Missouri Pictures Wanted" is the wireless call being sent out by Jewell Mayes, secretary of the Missouri State Board of Agriculture.

The secretary solicits free photographs of beauty spots, views of farm crops and country life scenes. He asks that a concise statement be sent with each picture, showing name of sender, description and location of view. Do not ask for picture to be returned, as it must wait its time and place. If you send a picture it will be used if found available in the agricultural year book, later bulletins or in the agricultural and news publications of the country—and in so doing you boost your part of Missouri.

ASK ABOUT HIM.

If you are sick and have not been able to find relief for your ailment, make inquiries of your neighbors and friends regarding Dr. Prettyman's success in such cases.

He has been coming here for many years and his work has been productive of much good. Besides that, he is reliable, trustworthy and merits the reputation he has made.

Investigate him and then try him. He charges nothing for consultation and his charges are reasonable, if he treats you.

He will be at his office at the Linville hotel, Monday, July 24.
